I am forwarding a draft Council Motion (also edited version and "clean" version) to initiate a correction to the boundary of the Pico-Union HPOZ.

Representatives of the subject property owner and our office have had a dialogue with Ken Bernstein of OHR. The owner retained a historic preservation consultant who conducted a detailed analyses of the matter, then our office convened a meeting with the owner's representatives, consultant and Ken Bernstein.

Can CLA review draft Motion and edit as appropriate? You can also consult with Ken and confirm he concurs that a "mistake" had been made and that it is appropriate to introduce a Council Motion to initiate the boundary change.

Thanks, ggg
